

Check editing text and shapes

This sample is for checking how the product works.

Rewrite this text

Select the text in PowerPoint and rewrite the sentence.

Move this shape

Ungroup if needed, then change the shape or its position.

Check editing a table

What to check	Status
Rewriting text	Not checked
Adding or removing rows and columns	Not checked

Text and shapes in a hand-drawn SVG

Edit the SVG text

Images stay images

Images you made elsewhere can be passed as they are

- The server decides where they go
- You don't write sizes or margins
